“The synod serves to remind us of this: our mother the Church is always in need of purification, of being repaired, for we are a people made up of forgiven sinners” (Pope Francis.)

“The Church finds herself at a crossroads and the urgent challenge strictly speaking is not of a theological or ecclesiological nature, but how in this moment in history the Church can become a sign and instrument of God’s love for every man and women. “ (Cardinal Grech)

“The Holy Spirit often shatters our expectations to create something new that surpasses our predictions and negativity. Let us open ourselves to Him, the protagonist, the Holy Spirit. And let us walk with Him in trust and with joy.” (Pope Francis)
